

## PROVISION OF SERVICES

### Terms and Conditions

Integrated Safety Group (ISG) shall take due care that in carrying out services or providing items, the services and items will comply with all relevant laws.

ISG warrants its services against faulty materials and performance of goods, the subject of any repairs for a period of 3 calendar months\*.

ISG reserves the following rights in the goods, the subject of the quotation, until all accounts owed by you to ISG are paid.

1. Ownership of the goods.
2. To enter your premises and the premises of any associated company or agent where the goods are located without liability for trespass or any resulting damage and retake possession of the goods.
3. To keep or resell any goods repossessed pursuant to clause 2 above.

No order may be cancelled except with the consent in writing and on terms that it will indemnify ISG against all losses.

The Contract for the provision of goods and services is made in Queensland and the parties submit all disputes arising between them to the Courts of Queensland.

To the extent that the Commonwealth, State and Territorial Laws permit, all conditions, terms and warranties that are not expressly contained in this Agreement are excluded and Integrated Safety Group will not be responsible or liable to you whether on grounds of breach of contract, contractual duty or negligence for any loss or damage that you may directly or indirectly sustain or suffer arising from defects in or miscalculation, break down or failure of performance of goods, or the provision of services the subject of this quote, and you exonerate and release Integrated Safety Group from all claims and demands in respect thereof.

You acknowledge that ISG has no control over the use of the goods by you and you agree at your own expense to comply with all municipal, state and federal laws, ordinances and regulations which may affect the goods while they are in your possession or use and you will not permit any person who is not legally qualified to use the goods.”

\* Warranty of technical services must be directly attributable to work performed or initial reported fault and reported in writing as soon as reasonably practical.

ISG must be given opportunity to rectify any reported fault which may arise during the warranty period prior to any further attempted repair or rectification by the owner of the goods or a third party.
